

# WorldKayak Hometown Throwdown

## Schedule of Events for Idaho

OUR WORLD KAYAK EVENT PROGRAM PARTNERS

The WK Hometown Throwdowns are a series of FUN events aimed at bringing communities of recreational boaters together in the spirit of simple competition. Based on the legendary Maryland Chute Outs, these events allow for simple scoring and keep things light and fun. Points for front surfs, paddle twirls and the standard playboating moves make this fun for all. The categories allow for any one to do well and we all judge each other. **Prizes are NOT given to top rides, but are raffled off to all participants like door prizes.**

So come and just have fun!
